Specimen Paper and Past Papers

The SQA Specimen Paper and marking instructions for National 5 Drama: www.sqa.org.uk/files_ccc/DramaSQPN5.pdf

After completing the SQA Specimen Question Paper (exam) or any past paper questions, ensure that you look at the marking instructions as these often contain course content and they will help you to improve your exam technique. National 5 Question Papers differ from past papers. Ensure that you familiarise yourself with the Specimen Paper: this is what your exam will look like.

Past Papers

Useful SQA past paper questions are listed and organised by topic with guidance:

www.sqa.org.uk/files_ccc/DramaSQPN5PPGuidance.pdf

In the table below you will find links to questions relevant to the different topics within National 5 Drama. Please note that you need to identify your stimuli. The Standard Grade past paper questions listed below require you to apply them to a production in which you have taken part. The Intermediate 2 questions can be applied to other excerpts. Marking instructions for past papers can be accessed in the column 'Answers'.
