The Scottish Qualifications Authority (SQA) Higher Geography subject webpage can be found <u>here</u>. The Revision in a Nutshell series is designed to complement class learning and revision. You can find the series at <u>www.parentforumscotland.org</u>. Please check with your teachers that this revision guide is relevant to you. See also SQA information on the our Higher Geography Assignment <u>here</u> and Higher Geography in a Nutshell <u>here</u>.

## Past Papers, Specimen Question Paper and Exemplar Question Paper

| Higher Geography                                 |                      |
|--|----------------------|
| 2015 Past Paper                                  | Marking Instructions |
| Specimen Question Paper and Marking Instructions | Map                  |
| Exemplar Question Paper and Marking Instructions |                      |

After completing the SQA Past Paper, Specimen Question Paper or Exemplar Question Paper, look at the marking instructions. These often contain course content and they will help you to improve your exam technique. Ensure that you familiarise yourself with the above Question Papers: these are what your exam will look like.

### Past Papers from the previous Higher Geography Course

Useful SQA past paper questions from the previous Higher Course are listed below. For direct links to past papers, click on the year (ie click on '2014') in the table below where you will find questions relevant to the current Higher Geography course. Some topics may be new for the current Course and therefore do not have past questions; be sure to revise all of your topics. Marking instructions for past papers can be accessed in the column 'Answers'.

Other past papers and marking instructions for the previous Higher Geography course can be found <u>here</u>. Please ask your teacher for guidance on using past papers from previous Higher courses.

| Paper Name and Year | Answers              |
|---------------------|----------------------|
| Higher Geography    |                      |
| 2014                | Marking Instructions |
