After completing the SQA Past Paper, Specimen Question Paper or the Exemplar Question Paper, look at the marking instructions as these often contain course content and they will help you to improve your exam technique. Ensure that you familiarise yourself with the above Question Papers: these are what your exam will look like.

Past Papers from previous Higher Human Biology Courses

Useful SQA past paper questions from previous Higher Courses are listed below. For direct links to past papers, click on the year (ie click on '2013') in the table below where you will find questions relevant to the current Higher Human Biology Course. Some topics may be new for the current Course and therefore do not have past questions; be sure to revise all of your topics. Marking instructions for past papers can be accessed in the column 'Answers'.
